Dear Business Owner,

Do you want thousands of potential customers to see your business advertisement?

Texas Image Volleyball can do that for you. Banners are the new billboards and are much more cost effective. By purchasing and hanging your AD Banner in our 60,000 sq. ft. volleyball facility you:

- You are assured of capturing the attention of 1,500 to 2,000 volleyball patrons every week during club season (December thru May) and several hundred per week at our camps, clinics, training sessions and leagues during the rest of the year.
- This is a great opportunity for you to advertise your product.
- Can use the banner cost as an advertising expense for your business.
- As an added bonus, we have a sponsor tab on our website where you can also advertise your business. Just give us the ok and we will link your business website to ours allowing us to offer further discounts and/or coupons.

Because this is a fundraiser, both you and the player you are helping will benefit. 50% of your banner cost will go directly to your players account to help her get the training and playing experience needed to improve her skills. Your banner purchase will help girls further their education opportunities using volleyball as an avenue for college recruitment.
